# S.A.S. Martial Art Academy

## Rules and Regulations

After your trial session, if you wish to become a member of the academy and you meet our requirements, the following procedures must be followed.

### **Membership**

All new and re-joining members must complete an application form in block capitals and give all details as requested and sign the declaration. Two passport sized photographs are required in addition to the full Annual Membership Fee: Only once this is done are you be considered a full member of the academy and be covered under our Insurance Policy. This will entitle you to the full benefits of the academy and allow grading to take place.

### **Uniform**

Within the first two lessons you are expected to purchase an SAS T-Shirt and slippers. A full uniform is available but is not compulsory until the first two gradings have been passed, normally within 4-5 months.

### **Training**

Our timetable changes from time to time, we provide clear timetables in class, or details can be obtained from our website, this will be discussed at your trial lesson. If you are unable to attend a class, do let the academy know. Unless otherwise agreed, all fees are still payable.

### **Fees**

Fees are due at the beginning of each month. A late payment fee of £5 will be incurred for fees paid after the 10th of the month. If you are going to be absent, fees are still payable unless otherwise agreed in advance. Any missed sessions can be made up with extra lessons, (free of charge) provided fees are up to date. The payment of fees does not represent a commodity, but rather the privilege of membership to an exclusive academy. Instructors have the right to refuse training to any members whose fees are not up to date.

### **Rights of the Academy**

The academy reserves the right to refuse membership to any persons without explanation. The academy may terminate the membership of any person who fails to adhere to the membership requirements.

### **Instruction**

For etiquette purposes the academy members will address their instructor as "Sifu" during all classes. Members are encouraged to ask any questions, as long as these are within the member's grade level. Students should NOT attempt to copy or learn techniques beyond their current level by watching other members. Learning is a matter of how well you do and not how much you do. No student is allowed to teach or demonstrate techniques, inside or outside of the academy unless specifically instructed and authorised to do so by the Master of the academy.
